SAE Class I LED Light Head Surface Mount

The 3510 surface mount LED warning light is designed to offer maximum performance with minimum size. This slimline LED measures only 3.3" x 1.1" and only 0.4" deep, comprising of 24 1-watt high-intensity LEDs in an ultra compact housing. This small footprint allows for mounting in almost any location on a vehicle body.

Synchronizable with additional 3510s, and any Hide-A-LED model. The 3510 includes multiple flash patterns and is available in amber, blue, clear and red (colorless when not illuminated). Additional benefits of LED technology include high-intensity light output, low current draw, long maintenance-free service life and a 5-year warranty.

Models

PART NO.	VDC	AMPS	FLASH PATTERNS	MOUNT
3510X	12	.75	16	Surface

Replace X in part number with desired LED color: A = amber, B = blue, C = clear, R = red

Accessories

A3510BZC	Chrome bezel
A3510L	L bracket
A3510MA	Multi-angle bracket
